Personal data we process

Podcast Jungle processes your personal data because you use our services and/or because you provide this data to us yourself. Below is an overview of the personal data we process:

- First and last name
- Telephone number
- Email address
- IP address

Special and/or sensitive personal data we process

Our website and/or service does not intend to collect data about website visitors under the age of 16, unless they have permission from a parent or guardian. However, we cannot verify whether a visitor is over the age of 16. We therefore recommend that parents be involved in their children's online activities in order to prevent data about children from being collected without parental consent. If you believe that we have collected personal data about a minor without such consent, please contact us at info@podcastjungle.nl, and we will delete this information.

Purpose and legal basis for processing personal data

Podcast Jungle processes your personal data for the following purposes:

- Sending our newsletter and/or advertising brochure
- Being able to call or email you if this is necessary to provide our services

Automated decision-making

Podcast Jungle makes #responsibility decisions based on automated processing about matters that may have (significant) consequences for individuals. These are decisions made by computer programs or systems without human intervention (for example, an employee of Podcast Jungle). Podcast Jungle uses the following computer programs or systems: #use_explanation

How long we retain personal data

Podcast Jungle does not retain your personal data longer than strictly necessary to achieve the purposes for which your data is collected. We apply the following retention periods for the following (categories of) personal data: #retention_period

Sharing personal data with third parties

Podcast Jungle only provides personal data to third parties if this is necessary for the performance of our agreement with you or to comply with a legal obligation.

Cookies, or similar technologies, that we use

Podcast Jungle uses functional, analytical and tracking cookies. A cookie is a small text file that is stored in the browser of your computer, tablet or smartphone when you first visit this website. Podcast Jungle uses cookies with a purely technical functionality. These ensure that the website works properly and that, for example, your preference settings are remembered. These cookies are also used to ensure that the website works properly and can be optimised. In addition, we place cookies that track your browsing behaviour so that we can offer tailored content and advertisements. When you first visited our website, we informed you about these cookies and asked for your permission to place them. You can opt out of cookies by configuring your internet browser so that it no longer stores cookies. You can also delete all information previously stored via your browser settings. For more information, see: https://veiliginternetten.nl/themes/situatie/cookies-wat-zijn-het-en-wat-doe-ik-ermee/

Accessing, correcting or deleting data

You have the right to access, correct or delete your personal data. You also have the right to withdraw any consent you may have given for data processing or to object to the processing of your personal data by Podcast Jungle, and you have the right to data portability. This means that you can submit a request to us to send the personal data we hold about you in a computer file to you or to another organisation specified by you. You can send a request for access, correction, deletion or data transfer of your personal data, or a request to withdraw your consent or object to the processing of your personal data, to info@podcastjungle.nl. To ensure that the request for access was made by you, we ask you to include a copy of your identity document with the request. In this copy, black out your passport photo, MRZ (machine readable zone, the strip with numbers at the bottom of the passport), passport number and Citizen Service Number (BSN). This is to protect your privacy. We will respond to your request as quickly as possible, but within four weeks. Podcast Jungle would also like to point out that you have the option of submitting a complaint to the national supervisory authority, the Dutch Data Protection Authority (Autoriteit Persoonsgegevens). You can do so via the following link: https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons

How we secure personal data

Podcast Jungle takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorised access, unwanted disclosure and unauthorised modification. If you believe that your data is not properly secured or if there are indications of misuse, please contact our customer service team or email info@podcastjungle.nl.

Leadinfo Persona Insights

To measure and improve the business use of our website, we use the Leadinfo service. This service identifies company names based on IP addresses. We also use Persona Insights. If you give your consent via our cookie banner, Leadinfo places cookies (_li_id and _li_ses) to link individual website behaviour to known contacts (for example, after interaction with a form or email campaign). This enables us to personalise our services. You can withdraw your consent at any time via the cookie settings on our website.
